

9x9 Scholarship Fund

May 2014

Dear St. Paul Congregation,

Thank you for allowing me to speak about the 9x9 Scholarship fund last Sunday morning. I greatly appreciated the opportunity.

Have you thought of three people you can tell about our goal? If you remember, we are looking to provide 10 new scholarships – over and above what is normally given – for the 2014-15 school year. And our hope is to continue providing those scholarships (and more!) for nine months of school over a full nine years (K-8). That's where we got "9x9".

We can reach this milestone with just 90 people contributing \$19 per month! It's within our reach!

Here's how you can help:

1. Call, e-mail, text, or go visit three people you know who you think would be willing to listen to our story.
2. Tell them St. Paul provides outstanding Christ-centered education and has for over 125 years.
3. Tell them North Omaha NEEDS this education choice, but many cannot afford to pay the tuition.
4. Tell them they can change the lives of 10 children – NEW students – who may never here of Christ's love otherwise.

Here's what they do:

1. Call the school office at (402) 451-2865, or E-mail st.paul100@netzero.net, and provide their name, e-mail or physical mailing address, and amount they would like to donate.

If you would rather have me tell the St. Paul story to your three contacts, just provide me with their name and contact info, I am happy to call or meet with them for you. Send your three contacts to me at KurtisK@cox.net or call/text me at 402-682-1088.

Together we can do it! God bless.
